About Fixxus

Established in 2003, Fixxus Industrial Holdings Company, LLC – (formerly Crossway Coatings/Fixxus Rehabilitation Systems) is an innovative specialty coatings contractor with a patented system designed for USDA food & beverage compliant applications where E.coli, listeria and other harmful pathogens need to be mitigated in process and packaging areas. Fixxus Industrial has enjoyed a successful history of working with some of the nation’s largest food & beverage companies providing long term solutions to very harsh environments.

We are compliant members of the following associations and organizations: SSPC, NACE, ILTA, NPMA, ISNetwork, Coalition of Construction Safety (CCS/formerly MICCS), Avetta, COGNIBOX, & BROWZ.
